

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: March 8, 1996

SUBJECT: **SB 2873**

This bill, if enacted, will authorize towns in counties with populations greater than 85,000 to conduct local option elections considering the sale of alcohol upon resolution of the governing body. The election would be held on the regular August or November election ballots, but could not be held on the same day as a primary election.

The fiscal impact on local governments from enactment of this bill in and of itself is estimated to be minimal since the provisions of the bill are permissive.

The fiscal impact from enactment of this bill is estimated to be an increase in local government expenditures to the extent that the elections are held and increase the cost of the regular election. Such increase cannot be determined but is estimated to be not significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
